

JL202A1

Banknote Counting and Counterfeit Authentication Machine

Technical Information

Counting Speed	≥1,000 notes (Serial Number Recognition)
Hopper Capacity	150 notes
Stacker Capacity	200 notes
Banknote Size	Length: 110-165 mm Width: 50-110 mm Thickness: 0.1-0.15 mm
Counting Display Range	1-9999 notes
Preset Count Display Range	1-999 notes
Software Updates	online updates
Connectivity	USB-232 interface, external display port
Noise	≤ 60 DB
Working Temperature	0-40°C
Power Supply	220 V (1 ± 10%) 50 Hz (1 ± 5%)
Power Consumption	90 W
Dimensions	350 × 270 × 240 mm (W × D × H)
Net Weight	9 kg

Intelligent System Makes Operation More Easy

Product Features

- Featured with function menu: automated zero clearance, auto accumulation, auto sum up, intelligent identification, fault diagnosis, sound and light alarm.
- Cash circulation management system, database system and IE inquiry system are accessible.
- Built in system: background database management system, serial number recognition system, and image display system.

Advanced Technology

- Power On Self Test and indicates fault code for easy to maintain.
- Able to configure with various counting status that enable banknote counting and counterfeit authentication become more convenient, flexible and efficient.
- Advanced detection technology enables JL202A1 is able to detect torn, dog-eared, spliced, adhesive, repeated and forged notes.

Easy to Use

- Counterfeit authentication sensitivity can be adjusted and stored automatically.
- JL202A1 is able to get access to mobile digital display screen to indicate counting process.
- Automated alarm and shut down, enable JL202A1 to sound alarm and then stop operation if counterfeit notes are detected.
- Serial number recognition enables an easy banknote tracking and analysis, banks is capable of keeping currency movement under control.
- Be able to developed as your special request.

Easy to Maintenance

- Supports software online updates.
- Easy to restore to factory reset.

Benefit

- JL202A1 enables a more convenient and efficient cash counting process, and highly improves your customer satisfaction.
- JL202A1 enables to keep tracking on currency, ensures financial security.
